

Application for Uki

Please note that it is a *full scholarship based **Accelerator Program for Coding** in Jaffna, Sri Lanka targeting students who has completed Advanced Level examinations and don't have access to university education or any other form of vocational education. It is aimed to provide the necessary training to enter Computer Software industry or to start an IT startup. This is a joint initiative by Yarl IT Hub, which has been functioning for the last 5 years as a not for profit social enterprise focusing on technology entrepreneurship in Northern Sri Lanka and SERVE Foundation, which is a four year old foundation focusing on using technology to uplift secondary education standards in rural schools in northern Sri Lanka.

Yarl IT Hub leads this initiative along with Sri Lanka's leading software companies. Therefore, there are chances for the students who perform well in this program to join these software companies.

It will be a 6 months coding accelerator program which focuses on

- Programming - Full Stack Development
- Basic Business Skills
- Spoken English and Communication Skills
- Personal Coaching

It is expected that the successful graduates will have necessary knowledge and skills to work at an IT organization as a Junior Executive, start a technology Start Up or become Co-Founders of Start Ups.

Terms and Conditions -

- The participant agrees to participate in the above program full time and ready to commit 48 hours per week for a total of 6 months.
- The participant agrees to face an interview for a suitable job opportunity or become a startup founder or co-founder at the successful completion of the program.
- The participant must have sat for GCE Advanced Level examination in any stream, have obtained the results and is not been selected to any state or private degree programs. Previous programming knowledge will be considered an added advantage.
- Applicant should be aged 23 or below by 21st April 2019.
- Uki solely reserves the right to choose the applicant based on its own terms and has the right to decline applicant without any explanation.

Please be assured that all information provided herein will be kept in the strictest confidence by the staff of Uki.

**The application must be received by Uki by the following deadline -
21st April 2019.**

The completed application should be emailed to: apply@uki.life
