

Application for Uki - Learn From Anywhere

100% Online Course

Uki is an Accelerator Program for Coding in Jaffna, Sri Lanka. It is aimed to provide the necessary training to enter the Computer Software industry or to start an IT startup.

This is an initiative by **Yarl IT Hub**, which has been functioning for the last 8 years as a not for profit social enterprise focusing on technology entrepreneurship in Northern Sri Lanka.

Yarl IT Hub leads this initiative along with **Educate For Tomorrow** as **Pioneer Partner**, **GIZ** as **Innovation Partner**, **Lebara Foundation** as **Platinum Partner** and Sri Lanka's leading **Software Companies** as **Corporate partners and Startups partners**. Therefore, there are chances for students who perform well in this program to join these software companies.

It will be a 4 months coding accelerator program which focuses on

- Programming - Full Stack Development
- Basic Business Skills
- Spoken English and Communication Skills
- Personal Coaching

It is expected that the successful graduates will have the necessary knowledge and skills to work at an IT organization as a Junior Executive, start a technology Start-Up or become Co-Founders of Startups.

Terms and Conditions -
